---

EDUCATION

COLUMBIA UNIVERSITY   May 2024
B.A. Computer Science-Mathematics
GPA: 3.7

EXPERIENCES

THE NEW YORK TIMES   June 2024–
Graphics Intern

- Built data visualizations for the Times' coverage of storylines such as the 2024 French legislative election and the NYT/Siena College Poll
- Contributed to NYT Graphics' technical infrastructure with tools such as election data scrapers and Svelte dataviz components

THE PUDDING   June 2024–
Member, Pudding 2024 Cohort

- Pitched a data-driven story idea on advanced baseball analytics; was one of three individuals to be accepted to the inaugural summer fellowship
- Collaborated with members of the Pudding team to realize the pitch into a fleshed-out storytelling experience over the course of 10 weeks

THE TEXAS TRIBUNE   Jan.-May 2024
Data + Graphics Intern

- Made data-driven graphics as part of the Data Visuals team at the Texas Tribune, covering topics such as early voting and environment

SAN FRANCISCO CHRONICLE   June–Aug. 2023
Digital Design Intern

- Created and updated React components used by the newsroom in visual longform projects, optimizing for performance and cross-compatibility
- Contributed data visualization work for the Chronicle's enterprise stories

CNN (CABLE NEWS NETWORK)   June–Aug. 2022
Data+Graphics Intern

- Made data graphics with Python and Illustrator for CNN.com

COLUMBIA DAILY SPECTATOR   Dec. 2020–Dec. 2023
Managing Editor/Graphics Editor

- Led all journalism efforts as the Head of Journalism over the 2023 calendar year, editing and overseeing the production of over 1,000 articles
- Oversaw all projects of Spectator's award-winning Graphics team in 2022, leading the production of data-driven/visual storytelling experiences
